

WHAT IS AN ENTERPRISE AGREEMENT?

An Enterprise Agreement contains the terms and conditions of employment, this agreement can last for a period of up to four years from the date of approval.

Union members can build power by collectively working together in the process of Enterprise Bargaining. Through our union, together we can make sure workers voices are heard to make sure the next Enterprise Agreement protects your working conditions.

Your Enterprise Agreement can include but are not limited to:

- Wages - classifications, increments and penalties.
- Leave Entitlements
- Consultation about workplace change
- Job Protection
- Standardisation and equitable treatment
- Safe Workloads

The best and most effective way to protect your workplace rights, is to build power in numbers by joining your union. By being a member you're making sure your voice is heard and building strength in our collective advocacy.

If you're not yet a PSA Member, today is a great day to join!
