

CHALK YOUR SUPPORT!

For Fair Pay for the SA Public Sector

Write it loud, write it proud!

Grab a chalk marker and write your message on your car windows.

Every chalked car will be a moving billboard for fair pay, seen in car parks, on roads, and outside worksites across the state.

We deserve
FAIR PAY

Message ideas:

- FAIR PAY NOW!
- Undervalued, understaffed, unsafe.
- We keep SA running, it's time we're paid like it!
- The cost of living is crushing us

Use the hashtag #EB25 and 'PSA', so that everyone knows who's chalking it up!

- Fair wages = Better public services
- Proudly serving SA, ready for fair pay!
- We can't deliver quality services on poverty wages
- Value our work

Will you help us build pressure to push SA Government towards a fair pay rise in our Salaried Enterprise Agreement?

- Use chalk markers only – they wash off easily with water.
- Write only on glass (windows and rear windscreen).
- Keep it short and bold, so it can be read from a distance.
